

International Walk to School Day

October 4, 2006

On October 4, 2006, join millions of children, parents, teachers and community members around the globe in walking and biking to school to celebrate *International Walk to School Day*.

Walk to School Day can create awareness of the obstacles that make biking and walking difficult as well as build community support to make change. Many schools and communities use the momentum from *Walk to School Day* to begin a *Safe Routes to School* program.

Visit www.dot.wisconsin.gov/localgov/aid/saferoutes.htm to find out more about *International Walk to School Day* and *Wisconsin Safe Routes to School*.
